

PEPPER CLIP

Flexible and sturdy hanger-shaped clip designed to extend longitudinal cord guides in the crop rows, keeping the plant upright and arranging its vertical growth. In this way the leaves and fruits do not touch the ground and maintenance and harvesting tasks are facilitated.

USE BENEFITS:

- ✓ **Optimized design** which reduces transport and storage
- ✓ **Sturdy hook** that allows a strong grip to the thread
- ✓ **Flexible body** to adapt to stresses without breaking

Size	# Reference	mm	Units/box	Palletizing
MINI	7203001	166	4.000	25 boxes/pallet (100.000 units/pallet) Weight of complete pallet: 258 kg
